For most departmental minors, students must complete a minimum of 20 semester hours of related courses (prescribed or individually tailored) in a single department outside the major. Refer to your current Academic Catalog for specific departmental minor requirements and semester hours.

Transfer credit may be applied to a minor, however, at least 50% of the credit hours must be taken at Gordon.

Consult with your minor advisor and enter the required courses below. These courses must be approved by the department offering the minor. Any future changes will require written approval from your minor advisor.
