

GORDON COLLEGE

Adjunct Faculty in Master of Science in Financial Analysis (residential)

We welcome candidates to teach in our growing Master of Science in Financial Analysis residential program. Available courses include the following:

- Fixed Income
- Derivatives Analysis
- Corporate Finance

This is an in-person position; candidates are expected to be in residence to teach these courses. That said, voluntary opportunities to teach online may be available. For more information on the course descriptions, please click [HERE](#).

The ideal candidate will have:

- a track record of success working in the financial services industry (preferred, not required);
- a doctorate in the relevant field or a master's combined with either
 - another respected, relevant credential (e.g. CFA, CFP, CPA, etc.), or
 - significant work experience within financial services;
- a demonstrated mature Christian faith, strong commitment to the Christian mission of the College, and agreement with the school's Statement of Faith;
- a passion for teaching and mentoring students;
- experience teaching in higher education with preference given to those who have taught in the residential and online environments, particularly using Canvas;
- a spirit of collegiality;
- and a value for diversity and inclusion.

Interested applicants must submit a Curriculum Vita that includes the names of three references and a letter of application addressing their fit with the Christian mission of Gordon College and the position listed above.

TO APPLY: Please go to: <http://apply.interfolio.com/103852>. Our review of applicants will begin as applications are received and continue until the position is filled.
